[ENT and Allergy Associates Expands at Simone's Hutch Metro](#)

September 20, 2018

ENT and Allergy Associates LLP, the nation's largest full-service otolaryngology and allergy practice and a longtime tenant of Simone Development's Hutchinson Metro Center, has expanded its space at this Bronx [office](#) park. ENTA now occupies 11,935 on two floors at the complex.

"As one of our original tenants at the Hutch Metro Center, Simone Development is proud to have played a part in the growth of ENT Allergy and Associates over the past two decades," said Simone Development's James MacDonald. "Our long-term relationships with leading [healthcare](#) service providers such as ENTA have played an important role in the growth of our own company, and we look forward to continuing these [mutually beneficial relationships](#) for years to come."

ENTA recently opened an 8,100-square-foot office at another Simone property, Boyce Thompson Center in Yonkers, NY. Several ENTA locations are slated to open in Central New Jersey in 2019.
